

## **Acknowledgment of the Privacy Notice**

According to Mahidol University Announcement Re: Personal Data Protection Policy B.E.2563 (2020), we, International Relations Unit of the Faculty of Pharmacy, Mahidol University (MUPY-IRU), may collect and process your personal information as follows upon the registration and subsequently to manage your participation throughout your activity period. Please note that some of the information listed below will only be collected in specific situations.

### **1. Personal data collection**

Name-middle name-surname, email addresses, passport number, date of birth, gender, religion, addresses, nationality, country, home university details, educational level and background, English proficiency, dietary requirement, photographs, and video recordings of the individual in the events including the student exchange and mobility program / visiting program / professional training program / professional internship or clerkship / meeting or roundtable discussion / conference / seminar / symposium / workshop.

Please note that some of the information will be collected in specific situations listed above. We will obtain your personal data directly from you through your application and the registration process, during your time with us until the end of the events.

### **2. Purposes for data collection, data storage, limitation on use and/or disclosure of personal information**

Your personal information will be used for the following purposes:

1. To identify you and to communicate with you;
2. To organize and arrange the events;
3. To facilitate and manage your use of facilities and participation at the events;
4. To provide data to internal audit / external audit such as the Ministry of Higher Education, Science, Research and Innovation or government bodies or agencies;
5. To provide raw data for data analytics;
6. To support your health, safety, and welfare requirements; and
7. To publish news on our social medias or website of the Faculty of Pharmacy, Mahidol University

### **3. Rights relating to your personal data**

You may request access to obtain a copy of your personal information provided on this website which may request disclosure of the acquisition of personal data. MUPY-IRU may reject your request as required by law or by order of the court. You may request to correct or change your personal information that is inaccurate or incomplete. However, you may request to delete or destroy your personal information in case the MUPY-IRU has to follow the process or laws related to the data collection of such information.

### **4. Data collection period**

All data collection will be kept confidential and will be stored as long as the purposes of data collection are still valid.

### **5. Contact**
