

Announcement of Mahidol University

Re: Mahidol University Students’ Personal Data Protection  
under the Personal Data Protection Act (PDPA)

.....

Mahidol University has a policy to establish all students’ awareness of personal data protection upon admission. The University has, therefore, prepared an online lesson on personal data protection so that all students at Mahidol University understand the Personal Data Protection Act (PDPA).

1. This announcement shall be effective on the day following the announcement date. “Students” refers to Mahidol University students.
2. Students are required to attend an online lesson on Personal Data Protection on the Mahidol University Extension (MUx) system and pass a test according to the determined criteria. Current students must complete the lesson and pass the test within September 2023. New students from 2023 onwards must complete this within the first semester of admission.
3. Students who have completed the lesson on Personal Data Protection and have received the certificate for having passed the activity may submit the document to the Information Technology Division.
4. A student who has not passed the Personal Data Protection learning activity in Item 2 will not be able to see their grades for all courses during the semester. However, when the student has passed the activity, they will be able to view their grades in the following semester.

Announced on 19<sup>th</sup> May 2023
