

Faculty of Pharmacy, Mahidol University Announcement

Re: Specification of the Period for Students Requesting to View Examination Scores
for Faculty Courses

In accordance with the resolution of the Sectional Committee Meeting No. 10/2558 on October 28, 2558 (2015), which stipulates a one-year period for the retention and destruction of examination documents, the Faculty of Pharmacy hereby specifies the period for students to request to view examination scores for courses offered by the departments. This period is within one year after the official announcement of the academic results for that academic year has been completed.

This shall be effective from academic year 2558 (2015) onwards.

Announced on January B.E. 2559 (2016)
