

MUPY cordially welcomed the students and staff from International University, Cambodia

July 25, 2013

Assist.Prof.Usa Chaikledkaew, Deputy Dean for International Relations, Dr.Jiraphun Jittikoon, Dr.Montri Yasawong, Dr.Farsai Chanjaruporn and students, Faculty of Pharmacy, Mahidol University cordially welcomed the students and staff from International University, Cambodia. In this occasion, they had a great opportunity to visit Drug Information center (DIC), Medicinal Plant Information Center (MPIC), Center of Analysis for Product Quality (CAPO) and Faculty Drug Store to learn about their responsibility and activities. In addition, they had a great chance to observe MUPY students in the laboratory classes which were Pharmaceutics and Pharmaceutical Analysis at the Department of Pharmaceutical Manufacturing and Department of Pharmaceutical Chemistry, respectively.
