

QS World University Rankings 2014

Mar 13, 2014

According to QS World University Rankings 2014, Mahidol University was officially ranked as the 1st in the subject of Pharmacy and Pharmacology in the nation. In addition, Mahidol University was ranked as the 8th in Asia region and the 49th among the universities around the world. This QS ranking reflects the readiness of Mahidol University towards being the regional education hub in the near future and its promptness for the upcoming AEC next year. □□□□Reference:
