

MUPY students participated the exchange program at Universiti Brunei Darussalam, Brunei

July 05, 2014

Mr. Tawan Suenjakin, 4th year undergraduate student, has participated “Asia Pacific Leaders Education Program (APL EP) 2014” program at Universiti Brunei Darussalam in Brunei during July 5 – August 4, 2014. He has been one of successful candidates to be granted partial support and join the program. The exchange program has been conducted by The Asia Pacific Association for International Education (APAIE) and Universiti Brunei Darussalam. Under this program, local hospitality (which included accommodation, airport transfer, ground transportation for organized excursions and field trips), meals and refreshment have been sponsored by the Government of Brunei Darussalam. Besides, Mahidol University has supported airfare and travel insurance for all students. This exchange program aimed to provide global experience and practice in leadership issues as well as cultural experiences in ASEAN countries.
