

MUPY has cordially welcomed Prof. Dr. Adelheid H. Brantner from University of Graz, Austria

Feb 04, 2015

On February 4, 2015, Assoc. Prof. Usa Chaikledkaew, Deputy Dean for International Relations, along with Assoc. Prof. Wandee Gritsanapan, Department of Pharmacognosy, welcomed Professor Dr. Adelheid H. Brantner, Pharmacognosy & Phytochemistry expert, from Institute of Pharmaceutical Sciences, Pharmacognosy, University of Graz, Austria. On this occasion, they had a great chance to discuss about further academic collaboration. Then, Prof. Dr. Adelheid H. Brantner gave a special lecture in the topic of “Optimization of extraction procedures of herbal-mixtures’ to MUPY faculty members and graduate students.
