

MUPY cordially welcomed the honored delegates from Bandung Institute of Technology, Indonesia

Mar 06, 2015

On March 6, 2015, Assoc. Prof. Usa Chaikledkaew, Deputy Dean for International Relation, along with Dr. Jiraphun Jittikoon warmly welcomed Prof. Dr. Komar Ruslan Wirasutisna and four honored delegates from School of Pharmacy, Bandung Institute of Technology, Indonesia. The objective of their study visit was to observe and learn about the implementation of Objective Structured Pharmaceutical Examination (OSPE) hosted by MUPY. Also, they had a chance to gather invaluable information as well as hands-on experience from the practice at Faculty of Pharmacy, Mahidol University.
