

MUPY welcomed guest lecturer from University of Liverpool, UK

Oct 19, 2015

On October 19th, 2015, Assoc. Prof. Chuthamanee Suthisisang, Dean, along with Assoc. Prof. Usa Chaikledkaew, Deputy Dean for International Relations, Assoc. Prof. Yuvadee Wongkrajang, Chair of Physiology Department, and faculty members welcomed Dr. Luminita Paraoan from Institute of Ageing and Chronic Disease, University of Liverpool, UK. The purpose of the visit was to discuss mutual collaboration between two institutions. On this occasion, Dr. Luminita Paraoan gave a special lecture entitled “Advancing the understanding of fundamental biological processes in ocular diseases: tales of the unexpected” to MUPY faculty members and graduate students as well.
