

MUPY welcomed guest lecturer from Meiji Pharmaceutical University, Japan

Nov 17, 2015

On November 17th, 2015, Assoc. Prof. Usa Chaikledkaew, Deputy Dean for International Relations, along with faculty members in Social, Economic and Administrative Pharmacy Division welcomed Prof. Dr. Manabu Akazawa from Public Health and Epidemiology Department, Meiji Pharmaceutical University, Japan. The purpose of the visit was to discuss mutual collaboration between two institutions. On this occasion, Prof. Dr. Manabu Akazawa gave a special lecture entitled “Appropriate medication use and pharmacist intervention findings from pharmacoepidemiology study in Japan” to MUPY faculty members and graduate students as well.
