

MUPY welcomed the delegate Suriname Conservation Foundation

On September 30th, 2016

On September 30th, 2016, Assist. Prof. Mullika Chomnawang, Deputy Dean for Research & International Relations, along with Dr. Bhanubong Bongcheewin, Chair of Department of Pharmaceutical Botany, and Assoc. Prof. Usa Chaikledkaew welcomed Mr. Ed Knoops, a delegate of Suriname Conservation Foundation, Suriname. On this occasion, they had a chance to discuss about research collaboration between two institutions focusing on local medicinal plant.□
