

A special lecture delivered by MUPY alumni

November 23rd, 2016

On November 23rd, 2016, faculty members in Department of Pharmacy led by Assoc. Prof. Pramote Tragulpiankit, Chair of Pharmacy Department, and Assoc. Prof. Pimolpan Pithayanukul welcomed Dr. Pakatip Ruenraroengsak, MUPY alumni, who visited the Faculty of Pharmacy, Mahidol University to share her research experience at London Centre for Nanotechnology, Imperial College, University of London, UK. Furthermore, she gave a special entitled “Translocation of functionalized multi-walled carbon nanotubes across human pulmonary alveolar epithelium” to faculty members and graduate students.
