

Renewal of MUPY-CAPQ ISO/IEC 17025:2005 Accreditation

October 25th, 2016

Congratulations to 'Center of Analysis for Product Quality (MUPY-CAPQ)' which has officially been renewed the accreditation of ISO/IEC 17025 : 2005 standard by Bureau of Laboratory Quality Standards (BLQS) in accordance with the expansion on product analysis. The laboratory has been accredited for specific tests in the scope within the field of 'Drug Testing'.
