

MUPY welcomed the delegate from Department of Global Health, University of Washington, USA

January 30th, 2017

On January 30th, 2017, Assoc. Prof. Usa Chaikledkaew, Director of Graduate Program in Health Technology Assessment, along with program staff and Assoc. Prof. Arthorn Riewpaiboon, Director of Graduate Program in Social, Economic and Administrative Pharmacy, hosted a reception for Prof. Dean Jamison from Department of Global Health, University of Washington, USA. The purpose of his visit was to discuss about mutual collaboration associated with a graduate program in Health Technology Assessment. On this occasion, Prof. Dean Jamison had an opportunity to meet Assoc. Prof. Suvatna Chulavatnatol, Dean, and Assoc. Prof. Mullika Chomnawang, Deputy Dean for Research & International Relations, and had a talk on the collaboration as well.
