

Kentucky students completed their international rotation

June 16, 2017

On June 16, 2017, Assoc Prof. Dr. Mullika Chomnawang, Deputy Dean for Research & International Relations, along with faculty members in Department of Pharmacy attended the exit presentation and evaluation delivered by three Pharm.D. students from College of Pharmacy, University of Kentucky, USA. The students visited MUPY to participate in their Advanced Professional Practice Experience rotation focusing on clinical pharmacy and healthcare system in Thailand during May 8 until June 16, 2017.
