

MUPY welcomed the delegate from University of South Australia

August 21st, 2017

On August 21st, 2017, Assoc. Prof. Dr. Mullika Chomnawang, Deputy Dean for Research & International Relations, along with faculty members welcomed Mr. Juan Ospina, a coordinator for international business development, from School of Pharmacy, University of South Australia. On this occasion, they had a chance to discuss about mutual collaboration between two institutions regarding student exchange and research collaboration.□□
