

MUPY discussed with Meiji Pharmaceutical University's delegate about student mobility program

October 25th, 2017

On October 25th, 2017, Assoc. Prof. Mullika Chomnawang, Deputy Dean for Research & International Relations, together with Dr. Farsai Chanjaruporn welcomed Prof. Manabu Akazawa from Meiji Pharmaceutical University, Japan. On this occasion, they had a chance to discuss about academic collaboration regarding student mobility program between two institutions.
