

MUHTA delegation visited Hanoi University of Pharmacy for providing HTA training workshop

april 17-20 2018

During April 17-20, 2018, Assoc. Prof. Usa Chaikledkaew, Director of Health Technology Assessment Postgraduate Program, Mahidol University (MUHTA), Assoc. Prof. Montarat Thavorncharoensap, and Assoc. Prof. Arthorn Riewpaiboon as well as Vietnamese master and doctoral students i.e., Mr. Ong The Due, Mr. Phung Lam Toi, Mr. Nam Xuan Vo were invited by Hanoi University of Pharmacy (HUP) for giving lectures and providing training HTA workshop for staff and students at HUP. This activity is under the project of HTA capacity building in low and middle income countries with the aim to strengthen HTA capacity for staff and students in Vietnam and develop the network of HTA capacity building. In addition, MUHTA academic staff also shared experience in developing the HTA postgraduate program at Mahidol University to academic staff at HUP.
