

MUPY welcomed Prof. Dr. Peter Olinga from University of Groningen

May 3, 2018

On May 3, 2018, Assoc. Prof. Suvatna Chulavatnatol, MUPY's Dean, together with Assoc. Prof. Mullika Chomnawang, Deputy Dean for Research & International Relations, and Lecturer Theerut Luangmonkong hosted a reception for Prof. Dr. Peter Olinga from Department of Pharmaceutical Technology and Biopharmacy, University of Groningen, the Netherlands. The purpose of his visit was to participate in a thesis defense of Lecturer Theerut Luangmonkong. On this occasion, Prof. Dr. Peter Olinga had a great chance to discuss about further academic collaboration. Then, he gave a special lecture entitled "Ex vivo human tissue models – The missing link in drug discovery" to MUPY faculty members and graduate students.
