

Japanese student delivered an exit presentation of overseas internship

September 25, 2018

On September 25, 2018, Assoc. Prof. Dr. Satit Puttipatkhachorn, Chair of Department of Manufacturing Pharmacy, along with Dr. Nattawut Charoenthai attended an exit presentation session of Japanese student, namely Mr. Neo Yamamoto who came from Graduate School of Pharmaceutical Sciences, Chiba University. He has recently finished his professional internship under a supervision of Assoc. Prof. Dr. Satit Puttipatkhachorn at MUPY's Department of Manufacturing Pharmacy. His exit presentation aimed to depict his research experience at the Department as well as social and cultural engagement with MUPY students.
