

MUPY faculty members visited Kyushu University's School of Pharmaceutical Sciences

November 5, 2018

In the morning of November 5, 2018, Assoc. Prof. Dr. Mullika Chomnawang, Deputy Dean for Research & International Relations, together with Assist. Prof. Dr. Krit Thirapanmethee and Dr. Somnuk Bunsupa visited Kyushu University's School of Pharmaceutical Sciences, Japan. They received a warm welcoming meeting hosted by Prof. Dr. Kenji Hamase and discussed about mutual collaboration between two institutions. In addition, they had a chance to meet MUPY 6th-year students who had participated in an overseas internship at Kyushu University's School of Pharmaceutical Sciences for three months. They also met Kyushu University's students who will visit Mahidol University's Faculty of Pharmacy for an exchange program.
