

MUPY faculty members attended The 2nd CMU-MU Joint Symposium in Taiwan

January 3, 2019

On January 3, 2019, Dr. Somnuk Bunsupa and Dr. Pongsatorn Meesawatsom as representatives of Mahidol University's Faculty of Pharmacy participated 'The 2nd CMU-MU Joint Symposium' at China Medical University in Taiwan. This symposium was co-hosted by Mahidol University and China Medical University. With this regard, Dr. Somnuk Bunsupa and Dr. Pongsatorn Meesawatsom had a chance to give lectures in the symposium as well. The symposium focuses on the areas of cancer, neuroscience, stem cells, pharmacy, traditional medicine, aging, and public health and also future collaboration discussion.
