

MUPY welcomed the delegation from UST's Faculty of Pharmacy, the Philippines

January 24, 2019

On January 24, 2019, MUPY's executives led by Assoc. Prof. Dr. Suvatna Chulavatnatol, MUPY's Dean, together with Assoc. Prof. Dr. Mullika Chomnawang, Deputy Dean for Research & International Relations, Asst. Prof. Dr. Jiraphun Jittikoon, Chair of Department of Biochemistry, and faculty members in Biochemistry Department hosted a reception for the delegation from University of Santo Tomas's Faculty of Pharmacy including Prof. Dr. Aleth Therese L. Dacanay, Dean, and Assoc. Prof. Dr. Edilberto Manahan, Chair of Department of Medical Technology. The delegates visited Mahidol University's Faculty of Pharmacy with the aims of strengthening collaborative activities between two institutions in terms of research, faculty and student mobility, and international conference. After the meeting, the delegates had a chance to visit biochemistry labs, MUPY's Medical Plant Information Center (MPIC), Drug Information Center (DIC), and drugstore.
