

Exit presentation delivered by exchange students of Taylor's University

March 22, 2019

On Friday 22nd March 2019, four exchange students from Taylor's University's School of Pharmacy delivered their exit presentation and learning outcomes gained from the student mobility program organized during March 18-22, 2019. The program was officially hosted by Mahidol University's Faculty of Pharmacy and allowed the students to learn about Thailand's pharmacy system as well as cultural experiences that fostered students' capabilities. Also joined the presentation included Lect. Panupong Tiansuwan and International Relations staff.
