

Laos pharmacists completed their training program under HRH Princess Maha Chakri Sirindhorn's Project

March 26, 2019

On March 26, 2019, Asst. Prof. Dr. Piyatip Khuntayaporn and Lect. Dr. Krisada Sakchaisri attended the exit presentation delivered by three Laos pharmacists who had participated in the 2019 training program in Technology of Medicine and Public Health for Health Personnel from Lao People's Democratic Republic initiated by HRH Princess Maha Chakri Sirindhorn. They gave the presentation focusing on what they learned and practiced at MUPY as well as external apprentice sites. Also, they gave MUPY some feedbacks for further program improvement. The training program has been initiated by HRH Princess Maha Chakri Sirindhorn and continuously provided by the Mahidol University's Faculties on an annual basis. In 2019, the pharmacy training program was officially carried out during February 18 - March 25, 2019. The objectives are to increase the knowledge and skills in health promotion and prevention, to strengthen and develop the public health, and to exchange the knowledge and experience in the development of medical technology and public health.
