

MUPY welcomed Japanese Delegates from Shinshu University

June 4, 2019

On Tuesday 4th June 2019, at Room no. 710, Assoc.Prof.Dr.Mullika Chomnawang, Deputy Dean for Research & International Relations, together with Assoc.Prof.Dr.Korbtham Sathirakul welcomed the delegation from Shinshu University, Japan. The delegates included 1) Prof.Dr.Kiyoshi Tanaka (Vice-President of Shinshu University (Intl. Affairs)), 2) Prof.Dr.Toshio Sakai (Academic Assembly (Engineering), Department of Materials Chemistry), and 3) Prof.Dr.Nobuhiko Henmi (Director of International Office of Faculty of Engineering). They visited MUPY to establish a research collaboration between two institutions. After that, they visited MUPY facilities including Center of Analysis for Product Quality (MUPY-CAPO), MPIC, and faculty drugstore.
