

MUPY visited northern Chinese universities

June 18, 2019

During June 18-19, 2019, MUPY's executives and faculty members joined an official visit led by Assoc.Prof.Dr.Chuthamanee Suthisisang, Mahidol University's Acting Vice President for Policy and Planning, at the top-ranked Chinese universities in the northern part of China including 1) Peking University of Health Science Centre, Peking University, 2) Tsinghua University, and 3) Shanghai Jiao Tong University. The purposes of this visit were to expand collaboration with those Chinese universities in terms of academic exchange, joint research projects, and international conferences. Furthermore, they had a chance to discuss about Chinese education policies linked with the government policies, called One Belt One Road, as well as cooperation with private sectors.
