

MUPY welcomed Seoul National University's guest lecturer

August 8, 2019

On August 8, 2019, Assoc. Prof. Dr. Korbtham Sathirakul along with faculty members provided a warm welcome to Prof. Dr. Seung Joon Baek, a guest lecturer from College of Veterinary Medicine, Seoul National University, South Korea. On this occasion, they had a great chance to discuss about further academic collaboration. Then, Prof. Dr. Seung Joon Baek gave a special lecture entitled “Roles of Moonlighting Protein in Metabolic Diseases” to MUPY faculty members and graduate students.
