

MUPY welcomed Rectors from Myanmar Universities

August 19, 2019

On August 19, 2019, MUPY's executives led by Assoc. Prof. Dr. Suvatna Chulavatnatol, MUPY's Dean, together with Assoc. Prof. Dr. Mullika Chomnawang, Deputy Dean for Research & International Relations, and faculty members in Physiology Department provided a warm welcome to Prof. Dr. Yee Yee Tin (Rector, University of Pharmacy, Yangon) and Prof. Dr. Thein May Saw (Rector, University of Pharmacy, Mandalay). They have been officially supported by World Health Organization (WHO) to carry out a study tour on a capacity building on pharmacy at Mahidol University's Faculty of Pharmacy and affiliated hospitals during August 19-23, 2019. Furthermore, they had a chance to meet Assoc. Prof. Surakit Nathisuwan, Deputy Dean for Planning and Quality Development, who shared about a quality assurance process of Thailand's pharmacy education.
