

Special lecture by University of Innsbruck's lecturer

November 29, 2019

On November 29, 2019, Assoc. Prof. Dr. Pongtip Sithisarn welcomed Prof. Dr. Hermann Stuppner, an invited lecturer from Faculty of Chemistry and Pharmacy, University of Innsbruck, Austria. On this occasion, they had a great chance to discuss about further academic collaboration. Then, Prof. Dr. Hermann Stuppner gave a special lecture entitled “Medicinal plants – An abundant source for the discovery of bioactive natural compounds with anti-inflammatory properties” to MUPY faculty members and graduate students.
