

Special lecture by University of Glasgow's lecturer

November 26, 2019

On November 26, 2019, Assoc. Prof. Dr. Usa Chaikledkaew, Director of Graduate Program in Health Technology Assessment (MU-HTA), warmly hosted a reception for Prof. Dr. Olivia Wu, an invited speaker from Health Economics and Health Technology Assessment (HEHTA) Unit, University of Glasgow, UK. On this occasion, they had a great chance to discuss about further academic collaboration between two institutions. Then, Prof. Dr. Olivia Wu kindly gave a special lecture entitled “Real World Evidence for HTA: Friend or For?” to MUPY faculty members and graduate students.
