

MUPY welcomed the Delegates from Aarhus University, Denmark

January 17, 2020

On Friday, January 17, 2020, during 09.00 am - 09.30 am, MUPY's executives led by Assoc. Prof. Dr. Mullika Chomnawang, Deputy Dean for Research & International Relations, together with Asst. Prof. Dr. Bhanubong Bongcheewin, Head of Pharmaceutical Botany Department, hosted a reception for the delegates, namely Prof. Henrik Balslev and Prof. Lars Jorgen Ostergaard, from Aarhus University, Denmark. They visited MUPY to establish a research collaboration focusing on pharmaceutical botany between two institutions. After that, the delegation visited Sireeruckhachati Nature Learning Park at Salaya Campus. Also joined the visit included Dr. Thanika Pathomwichaiwat and Dr. Methee Phumthum who gave an overview of the Park.
