

MUPY welcomed an exchange student from Chiba University, Japan

January 17, 2020

On Friday, January 17, 2020, Assoc. Prof. Dr. Satit Puttipipatkachorn, Head of Department of Manufacturing Pharmacy, along with MUPY students welcomed Mr. Etsushi Yoshikawa, a Japanese student from the Graduate School of Pharmaceutical Sciences, Chiba University, Japan. He has participated in a professional training program focusing on manufacturing pharmacy at MUPY's Manufacturing Pharmacy Department and external training sites during January 17 - February 15, 2020.
