

## MUPY faculty members received Outstanding Thesis Award

August 3, 2020

Congratulations to Lect. Dr. Sermsiri Sangroongruangsri and Assoc. Prof. Dr. Usa Chaikledkaew, her thesis advisor, on receiving the “Outstanding Thesis Award” in the Doctoral Degree Level (Health Sciences and Applied Health Sciences Track) from her Ph.D. dissertation entitled “Safety of Intravitreal Bevacizumab and Ranibizumab Injections for Treatment of Retinal Disease Patients: An Observational Study”. Formerly, Lect. Dr. Sermsiri Sangroongruangsri was a doctoral degree student in Social, Economic and Administrative Pharmacy Program. The award was recently announced by Mahidol University’s Faculty of Graduate Studies. More information about the award can be checked at <https://graduate.mahidol.ac.th/download/main/scholarships/pdf/Listname-Distinguished-Thesis-Award2563-Th.pdf> #SEAP
