

Video Production of SEAP Graduate Program

September 11, 2020

Faculty members in SEAP graduate program led by Asst. Prof. Dr. Luerat Anuratpanich, the program director, joined cinematic filming to produce a video clip for promoting the academic program. The production took place both on campus and affiliated hospitals. The video provides prospective students with basic information, program enrollment, and curriculum. The finished clip will be released in Mahidol Channel's MU Link: International Program soon.
