

MUPY Organized a Handover Ceremony of Deanship

16 September, 2020

On September 16, 2020, from 2 p.m. - 4 p.m., the Faculty of Pharmacy, Mahidol University officially organized a handover ceremony of deanship under the theme 'United Heart, We Grow Together' with the aim of passing on the deanship and the faculty administration from Assoc. Prof. Dr. Suvatna Chulavatnatol, a former leader of MUPY's administrators, to Assoc. Prof. Surakit Nathisuwan who had been appointed as a new MUPY's Dean. His administrative term has been effective for four years starting from September 17, 2020. □□□□Event's activities included 1) A video presentation of the 4-year administrative results of the former administrative team, 2) An appreciation session for the former administrative team, 3) A handover session of a file folder and MUPY flag to mark the new administration, 4) An introducing of the new administrative members and their policies for the Faculty administration, and 5) A group photo session. □□□□This event provided an opportunity for MUPY's personnel to thank the former administrative team and welcome the newer team to be in the position. Moreover, all of the faculty members were able to suggest the way of management to the newer team in order to continually develop the Faculty in the future.
