

Workshop on 'How to conduct a virtual meeting by Cisco Webex Meetings'

October 14, 2020

On Wednesday, October 14, 2020, during 1-4 pm, MUPY organized a workshop entitled “How to conduct a virtual meeting by Cisco Webex Meetings” hosted by the Division of Information Technology and Instructional Media. Having been organized at room no. 704, this event was conducted by Ms. Sirithon Pooleiam, Head of the Information System Development Unit, and her colleague, Mr. Kittikan Nawapong. There were more than 20 MUPY supporting staff who joined the activity to learn and share their experiences concerning hosting an online meeting.
