

Guideline and Use of for Laboratory Animals

December 2, 2020

On Wednesday, December 2, 2020, from 08.30 am - 03.00 pm, MUPY organized a workshop entitled 'Guideline and Use of for Laboratory Animals'. The workshop's speakers included Assoc. Prof. Dr. Wisuda Suvitayavat and Asst. Prof. Dr. Nakkawee Saengklub. This activity was joined by academic staff, researchers, and graduate students. This workshop aimed to provide relevant knowledge and regulations for involved staff in using laboratory animals. It also provided an opportunity to share and learn from each other regarding using laboratory animals.
