

MUPY visited KMUTT's FIBO

December 3, 2020

On Thursday, December 3, 2020, Assoc. Prof. Surakit Nathisuwan, the Dean of MUPY, together with Asst. Prof. Dr. Luerat Anuratpanich, Deputy Dean for Student Affairs and Quality Development, and the faculty members in the SEAP graduate program visited King Mongkut's University of Technology Thonburi (KMUTT) and its Institute of Field Robotics (FIBO). In this regard, KMUTT's Vice President for Research Strategy, namely Dr. Warinthorn Songkasiri, and FIBO's Director, namely Assoc. Prof. Dr. Siam Charoenseang, along with its staff hosted a reception for MUPY delegates. □□□□ The purposes of their visit were to strengthen recently established academic collaboration between Mahidol University and King Mongkut's University of Technology Thonburi (MU-KMUTT) as well as to further discuss a collaboration regarding 'Pharmacy Automation' in order to increase efficiency and safety for pharmaceutical distribution. They also discussed research and innovation in the pharmacy profession and mutual agreement for the development of a research project in order to receive research funding from the prospective grantors. □□□□
