

MUPY faculty member named by Stanford University as the World's Top 2% Most-Cited Scientists

December 9, 2020

A big congratulation to Prof. Dr. Leena Suntornsuk, Head of the Department of Pharmaceutical Chemistry, who was globally named by Stanford University as the World's Top 2% Most-Cited Scientists. Stanford University released a list that represents the top 2 per cent of the most-cited scientists in various disciplines. The list was based on the number of citations and publications on the Scopus database, H-Index, co-authorship, and a composite indicator.
