

Flexible Education and Credit Bank System

December 24, 2020

On Thursday, 24th December 2020, from 01.00 pm - 02.30 pm, MUPY's Division of Undergraduate Education held a virtual lecture entitled 'Flexible Education and Credit Bank System' which was broadcasted via Cisco Webex Meetings. The lecture was delivered by Mahidol University's Vice President for Academic Affairs, namely Assoc. Prof. Dr. Naeti Suksomboon, to MUPY faculty members and academic staff. This lecture aims to provide essential information concerning a flexible education and opportunities for students and learners in order to promote lifelong learning, develop multidisciplinary skills, and enhance the self-development of the students.□□
