

2021 Health Check-up

February 25, 2021

On Thursday, February 25, 2021, at 07.00 am, MUPY's Welfare and Employee Relations Unit organized an annual health check-up for its faculty members and personnel. This activity received technical support in providing a physical examination from the Faculty of Medical Technology's staff. This year, there were a lot of MUPY's academic staff and supporting staff stepping in to receive this welfare.
