

Online Lecture on “Knowledge Preparing and Extending to be an Entrepreneur”

April 8, 2021

On Thursday, April 8, 2021, from 08:00 p.m. – 10:00 p.m., MUPY’s Division of Student Affairs hosted an online event as one of the Entrepreneur Skills Development Program on the topic of “Knowledge Preparing and Extending to be an Entrepreneur” via Microsoft Teams Program. The virtual lecture was delivered by an invited speaker, namely Dr. Apichai Apirattanapimolchai, MUPY Alumni (Rx 22), who shared his professional experiences and expertise in developing entrepreneur skills such as brand building, personal finance, basic marketing, failure management, and strength and weakness analysis. They also learned about living and working in diverse settings in the future as well as raising awareness of the public mind. According to this activity, all 46 registered attendees who were MUPY undergraduate students had the opportunity to broaden their knowledge and professional experiences for their future careers.
