

Virtual Meeting on Procedures for Receiving Research Grants and External Funding

May 20, 2021

On Thursday, May 20, 2021, from 09.00 a.m. - 12.00 p.m., MUPY's Division of Research and Innovation Management hosted an online meeting via the Cisco Webex Meetings on the topic of 'Procedures for Receiving Research Grants and External Funding'. The meeting was presided over by MUPY's Assistant Dean for Research and Innovation, Assoc. Prof. Dr. Doungdaw Chantasart, who talked about the updated regulations, guidelines, and procedures for the faculty members and researchers in order to receive research grants and external funding. Additionally, the supporting staff from the Division joined the meeting to explain the related procedures and accurate steps in order to follow the procedures and manage the research project correctly. This virtual meeting aimed to update faculty members and researchers about the information and guidelines to correctly getting a research grant and external funding.
