

## Biochemistry Department organized online training for UST students

June 17, 2021

On Thursday, June 17, 2021, at 08.00 a.m. (Bangkok time), MUPY's administrative staff led by Assoc. Prof. Surakit Nathisuwan, the Dean, and Assoc. Prof. Dr. Usa Chaikledkaew, the Deputy Dean for International and Public Relations, along with Asst. Prof. Dr. Jiraphun Jittikoon, the Chair of MUPY's Department of Biochemistry, and the faculty members in the Department of Biochemistry attended an orientation meeting of the 2021 Pharmaceutical Biochemistry Training Program for UST Exchange Students via the Cisco Webex Meetings platform. □□□□ Also joined the online orientation included the faculty members in the Faculty of Pharmacy, the University of Santo Tomas (UST), the Philippines led by Prof. Gardee T. Pena (Chair of the Department of Biochemistry), Prof. Agnes Castillo, and 15 UST students, who were the 7th batch of program trainees, as well as MUPY undergraduate students. □□□□ This year, MUPY's Department of Biochemistry hosted a Pharmaceutical Biochemistry Training Program for UST Exchange Students on the Microsoft Teams platform from June 16 to July 17, 2021. This training program sought to give trainees with professional training in the field of pharmaceutical biochemistry, as well as to increase academic staff and student worldwide exposure, resulting in increasing the global visibility of the Faculty of Pharmacy.
