

Special Lecture delivered by the professor from the University of Utah

July 5, 2021

On Monday, July 5, 2021, from 01.00 p.m. - 03.00 p.m., Assoc. Prof. Dr. Usa Chaikledkaew, Deputy Dean for International and Public Relations, hosted a reception and gave a welcoming speech for Prof. Dr. Nathorn Chaiyakunapruk, a visiting professor from the University of Utah's College of Pharmacy. He had been invited to be a visiting professor at Mahidol University and was invited to give a lecture on the topic of 'Extended cost-effectiveness analysis: Method for incorporating equity into economic evaluation'. The lecture was virtually hosted by the MU-HTA Graduate Program and was broadcasted via the Zoom Meetings platform. This online lecture gained interest from more than 106 registered audiences who were the faculty members of Mahidol University, scholars, and overseas graduate students joining via the online platform.
