

MUPY faculty members joined Mahidol Channel Live

July 30, 2021

On Friday night, July 30, 2021, from 07.00 p.m. - 08.00 p.m., MUPY's faculty members including Assoc. Prof. Thanarat Suansanae, a faculty member in the Department of Pharmacy, and Dr. Thanika Pathomwichaiwat, a faculty member in the Department of Pharmaceutical Botany, participated as invited speakers in the lived program organized by Mahidol Channel. The program's theme was 'Common household and herbal medicines for the COVID-19 pandemic', aiming to raise awareness and provide accurate knowledge to the public to ensure the safe uses of medicines and herbal products amidst the pandemic. Mahidol Channel's Facebook Live and YouTube Channel were used to stream the show. □□□□ Watch the recorded clip. □□- YouTube: <https://www.youtube.com/watch?v=WSckVULUWQs> □□- Facebook: <https://www.facebook.com/mahidolchannel/videos/668304907902002>
