

Recording for the Mahidol Channel's Research Impact Program

August 16, 2021

On August 16, 2021, from 10.00 a.m. to 12.00 p.m., Assoc. Prof. Dr. Pramote Tragulpiankit, chairman of the Pharmacy Department, took part in an interview and filming for Mahidol Channel's online show, called the 'Research Impact' program. 'Pharmacogenomics for Rational Drug Use in Thailand' was the title of the program's episode. The online program will be then broadcasted via the YouTube platform's Research Impact program. □□□□Related news:
