

Influenza Vaccination as 2021 Faculty Welfare

August 25, 2021

On August 25, 2021, MUPY's Employee Relations and Welfare Unit provided an annual influenza vaccination service to all faculty members and personnel as the 2021 staff welfare. This event was arranged during lunchtime in front of the canteen located on the 1st floor of the Rajaratana Building. □□□□ There were lots of academic staff and non-academic staff who stepped in to get vaccinated as a health benefit aiming to prevent the spread of influenza among the staff and students in the Faculty of Pharmacy. This event was also conducted under the safety measure to prevent the spread of the COVID-19 as well.
