

KM on Research and Development of Herbal Products to Commercialization

October 27, 2021

On Wednesday, October 27, 2021, from 01.00 p.m. - 04.00 p.m., MUPY's Division of Research and Innovation Management arranged a Knowledge Management (KM) meeting at Room 401. Having been also broadcasted via the Cisco Webex Meetings, the KM meeting was on the topic of 'Research and Development of Herbal Products to Commercialization: Herbal Products-related Laws and Regulations'. The meeting was presided over by MUPY's Assistant Dean for Research and Innovation, Assoc. Prof. Dr. Doudaw Chantasart. Besides, the KM meeting was conducted by four invited speakers led by Assoc. Prof. Dr. Noppamas Soonthornchareonnon. The activity was attended by more than 20 faculty members and researchers. It aimed to promote knowledge and experience sharing among faculty members in order to increase competitiveness. This event also corresponded to SDG Goals mainly on the 4th, 8th, and 9th goals.
